

# Conferences

Scientific sessions of the PRBB centres sponsored by the Centre of Genomic Regulation (CRG) and the Barcelona Biomedical Research Park

## Martin Weigt

Laboratory of Computational and Quantitative Biology,  
Institut de Biologie, Sorbonne Université, CNRS.  
Paris, France

Protein sequence landscapes:  
From genomic data  
via statistical inference  
to structure prediction  
and *de novo* design

Invited by  
Cedric  
Notredame,  
CRG

Friday,  
June 29, 2018  
12:00-13:00

**Marie Curie Room - PRBB**  
Doctor Aiguader, 88, 08003 Barcelona  
Tel. 93 316 00 00 - [www.prbb.org](http://www.prbb.org)

PRBB Centres:  
IMIM Hospital del Mar Research Institute; CEXS-UPF Department of Experimental and Health Sciences of the Pompeu Fabra University; CRG Centre for Genomic Regulation; ISGlobal Institute of Global Health; IBE (CSIC-UPF) Institute of Evolutionary Biology; EMBL Barcelona
