

Computational Genomics

Thomas Vannier
& Youri Timsit

Institut Méditerranéen d'Océanologie,
Aix-Marseille Université. Marseille, France

Evolution and distribution
of the bacterial bioluminescence
in the global ocean.

Ribosomal protein networks:
evolution and functions.

Thursday,
March 28, 2019
12:00-13:00

Seminar Room 473.10 - PRBB
Dr. Aiguader, 88 08003 Barcelona
Tel. 93 316 00 00 www.prbb.org

PRBB Centres:
IMIM Hospital del Mar Research Institute; CEXS-UPF Department of Experimental and Health Sciences of the Pompeu Fabra University; CRG Centre for Genomic Regulation; ISGlobal Institute of Global Health; IBE (CSIC-UPF) Institute of Evolutionary Biology; EMBL Barcelona
