

Bicycle Guide for PRBB Residents

The PRBB has enabled a **bicycle parking** for the residents at the corner of the streets Doctor Aiguader and Trelawny (see map below). Please be aware of the following rules and recommendations:

- The bicycle parking is not supervised and its use is under your own responsibility.
- You must use the ramp at the Doctor Aiguader Street to access the bicycle parking.
- It is forbidden to ride your bike in the inner square of the building and in the vicinity of the main access gates.
- Cyclists must yield the right-of-way to pedestrians on all PRBB areas.

- We recommend to contract a personal liability insurance if you are a frequent user of the bicycle.
- A supervised bicycle parking is offered at the BSM parking in the basement (Tel.: 93 409 2021) with special prices for PRBB residents.
- In case of robbery or damaged bikes, please report the incidence to the Police (Mossos d'Esquadra, <http://mossos.gencat.cat/ca/temes/denuncies/>). We recommend that you also inform the PRBB Bicycle Committee (bicycle_incidents@lists.riseup.net)
